SOUNDBARS

Smarter soundbars designed from the ground up for the professional installer. Auto-standby-override, power cycling, VESA mount brackets and Bluetooth come as standard across the range backed by crisp, clear, audio and the Vision Lifetime Warranty.

SOUNDBAR PRO

Crystal clear 30W audio from high quality drivers ensures no tiring distortion. Perfectly tuned mid and high frequencies help push fantastic sound evenly around the room.

Perfect for classrooms or meeting rooms where you need a professional sound. Internal power supply means no power brick to hide. Wall & VESA brackets included.

SB-900P - 4725414

Internal Power Supply
No brick to hide

SOUNDBAR PLUS

Need to punch a hole in the back wall?! The Soundbar Plus offers 100W of truly impressive sound, plus RS-232 Control, re-nameable Bluetooth and ARC HDMI.

The chassis has a smart, matt black finish that enhances any audio-visual installation in meeting rooms, boardrooms, and conference rooms.
