

Dual USB-C charging adapter
EU CEE 7/7 Europlug
MFI (made for iOS) certified factory
Outputs 65 w if only one device connected
Outputs 45 w + 20 w if two devices connected

This universal Dual USB-C charger is ideally suited to any device which uses USB-C for charging. It is powerful enough to run the new breed of laptops that are powered over USB-C, and all of your other USB-C peripherals.

It uses Gallium nitride - GaN - instead of silicon. GaN can handle higher voltages and electric currents, allowing for higher power outputs in smaller devices, with less heat.

iPhone Compatibility

Works for all current models

iPad Compatibility

Works for all current models

Mac Compatibility

Works for all current models

SPECIFICATIONS

PACKAGED WEIGHT

93 g (0.2 lb)

PACKAGED DIMENSIONS

83 mm x 46 mm x 28 mm (3.3" x 1.8" x 1.1")

COLOUR

Black

C1 POWER OUTPUT

5V / 3A 9V / 3A 12V / 3A 15V / 3A 20 V / 3.25A (65 w)

WARRANTY

Lifetime return-to-base

COMPLIANCES

RoHS, WEEE, CE/EMC, CE/LVD

OUTER MATERIAL

ABS+PC Fireproof

PRODUCT DIMENSIONS

83 mm x 46 mm x 28 mm (3.3" x 1.8" x 1.1")

POWER INPUT

100V-240V 50/60Hz 1.5A Max

PPS

5V-11V/4.05A 5V-16V/3A

C2 POWER OUTPUT

5V/2.4A 9V/2.22A 12V/1.67A(20 w)
