

TC3 Minijack Module (phoenix on rear)

TC3 3.5MM EU SAP: 3446210 US SAP: 12980820

vav.link/tc3_3-5mm

Occupies 1 module space
Ideal for use with stereo audio cable
Phoenix connector at rear

This module is part of Vision's Techconnect connectivity faceplate family.

Fixes to Surround

Techconnect modules fix into a surround, which in turn fixes to a backbox, mudding (for hollow walls), or a table faceplate.

Future-proof

If you break a module or need to change it in the future, just replace that part - not the entire faceplate.

Flexible

Get to site and the client changes what they want on their AV faceplate? No problem.

Strong

Techconnect parts are robust for the rigours of every day use. They include strengthening ribs and reinforcing where required.

Proven

For over 15 years Techconnect has improved and developed into one of the most popular AV faceplates in the world.
