

Two cables can be fitted to each module
Any cable can be fitted, including cloverleaf or figure-8 power cables
Smooth weight-assisted retraction

This module is part of Vision's table-mounted Techconnect family. It allows cables to be pulled up and plugged in so users can get on with their presentation.

Two Cables

Two cables can be fitted to each module. The TC3 SURRTB table faceplate can accommodate up to nine modules.

Maximum Cable Diameter

Cables up to 7.8 mm (0.3") in diameter can be used.

Smooth Retraction

The diameter of the holes are 11 mm (0.43") to allow cables to slide smoothly.

Weights included

Cable weights are included which assist it pulling the cable home.

Cable Stops

To prevent thin cables falling through velcro wraps are included to wrap around the cable.
