VISION

TC3 SURR2G TC3 UK 2-Gang Surround

vav.link/tc3_surr2g   TC3 SURR2G   EU SAP: 3446603

Double-gang frame which accommodates five modules (not included)

Fits to any standard double-gang UK backbox (pattress) or mudring

Can be made DDA (UK Equalities Act 2010) compliant

This surround is part of Vision's Techconnect modular faceplate family. Just fix modules in place, then fix to a mudring or backbox.

Fixes to Mudring or Backbox
Techconnect modules fix into a surround, which in turn fixes to a mudring or a backbox.

Future-proof
If you break a module or need to change it in the future, just replace that part - not the entire faceplate.

Flexible
Get to site and the client changes what they want on their AV faceplate? No problem.

Strong
Techconnect parts are robust for the rigours of every day use. They include strengthening ribs and reinforcing where required.

Proven
For over 15 years Techconnect has improved and developed into one of the most popular AV faceplates in the world.

Optional DDA Sticker
Laser-cut thin vinyl stickers are available that stick to the front of the surround, making it Disability Discrimination Act (replaced by UK Equalities Act 2010) compliant. Part number: TC3 SURR2G_DDA.
