

Braided USB 2.0 Cable 10m (32.8ft) with active booster

TC 10MUSB+/HQ EU SAP: 4911574 US SAP: 13557566

vav.link/tc_10musbplus-hq

USB-A is the type of connector which plugs into your laptop. USB-B is the end that plugs into your printer.

*10+ models have an in-line active booster (48 mm / 1.9" long x 25 mm / 0.98" wide) integrated half way along cable.

When used with Vision's Techconnect modular faceplate recommends using with the TC2 USB+ active booster module with all cables longer than 5m (16.4 ft).

Anti Tangle

A soft-woven low-friction outer sheath slides easily as the cable is pulled and helps reduce tangle.

Aramid

Reinforced with Aramid fibre - the material bullet proof vests are made from - to protect from crush and stretch damage.
