

This simple patch cable connects your phone or laptop to most audio systems. Minijacks are also known as 1/8", or TRS jack (tip-ring-sleeve) and 3.5 mm / 0.14" jack. They carry a "line-level" signal.

### Anti Tangle

A soft-woven low-friction outer sheath slides easily as the cable is pulled and helps reduce tangle.

### Aramid

Reinforced with Aramid fibre - the material bullet proof vests are made from - to protect from crush and stretch damage.
