

Monitor mount for displays from 10-34"
Adjust for varying divider thicknesses
Rotates between portrait and landscape

Vision's universal cubicle mount hangs the computer monitor from the cubicle dividing wall, freeing up valuable desk depth. It can take any flat-panel LCD screen which has 75 x 75 mm or 100 x 100 mm rear mounting holes.

Portrait or Landscape

Rotate the display freely 90°.

Divider Thickness

The mount adjusts for different cubicle divider thicknesses, from 37-89 mm (1.45-3.50").

SWL 8 kg

The VFM-CUB can support monitors up to 8 kg (17.6lbs).

Monitor 17-32"

If a larger display has the correct mounting points and weighs less than the SWL this mount can support it safely.

Cable Management

Clears up tangled cords on the desktop, and creates a clutter-free space.

180 mm (7.5") Height Adjustment

Pull the adjustment lever forward to move the monitor through ten height settings.

Thumbscrews

Fix the display in place with included thumbscrews, speeding up installation and reducing tools required.

Scratch-Resistant

The powder-coated surface is thicker and more scratch resistant than paint.

SPECIFICATIONS

PRODUCT DIMENSIONS

114 x 145 x 440 mm / 4.5" x 5.7" x 17.3"

PACKAGED DIMENSIONS

400 x 130 x 100 mm / 15.7" x 5.1" x 3.9" (length x width x height)

PRODUCT WEIGHT

1.2 kg / 2.6 lbs

PACKAGED WEIGHT

1.57 kg / 3.5 lbs

SAFE WORKING LOAD

8 kg (17.6 lbs)
