

Double-articulated desk mount for two monitors up to 34"

Cable Management and adjustable dampers

Aluminium construction, Matt black

Quick-Clamp

The **Vision Flat-Panel Mount – Desk** range is tough and flexible. The VFM-DAD (desk arm dual) accommodates two flat-panel LCD or LED screens which have 100 x 100mm rear mounting holes; almost all computer monitors.

### Premium Construction

Aircraft-grade aluminium arms are finished with a stylish anti-scratch surface.

### Thumbscrews

Thumbscrews are used to fix the display to help speed up the installation of this mount.

### Quick Release

The VESA plates attach to the rear of the displays then clip into position on the arm, making assembly fast and easy.

### SWL 18 kg

The VFM-DAD can support two monitors up to 18 kg (40 lbs) in total.

### Up to 34"

Fits screens that ranges from 10" to 34". If a larger displays have the correct mounting points and weighs less than the SWL this mount can support it safely.

### Adjustable Dampers

To allow for different loads the dampers can be tightened or loosened to make sure the display stays where it is when you let go of it.

### Cable Management

Clip on covers allow tidy cable routing.

### Clamp or Grommet

The VFM-DAD can be clamped or a fixing adaptor is included to bolt it to the table (requires drilling hole in table).

### Quick Clamp

The clamp has a quick-release to adjust quickly for varying table thicknesses as thin as 14 mm (0.44").

### Rotate to Portrait-Style

Almost endless tilt, rotation, swivel, and height adjustment puts the display right where you need it.

### Move independently

Move each display up and down independently to get the right ergonomic setup.

### Maximum Span

The centres of the displays can be up to 1200 mm (47.2") apart. The maximum height from the desk top to the centre of the screens is 510 mm (20.1").

**PRODUCT DIMENSIONS**
