Shelf size: 300 mm (12") wide x 280 mm (11") deep  
Column Height: 408-518 mm (16.1-20.4") tall  
Black (only)

**Correct ergonomics are essential to avoid injury and maximise productivity.**

**This premium Aluminium desk stand comes with a laptop shelf (comes in a separate carton) to position the laptop's built in display at an ergonomically correct height.**

## Gas Spring

This mechanism supports the weight of the laptop in a smooth motion. Just move it up or down then lock it off.

## Height Adjustment

The shelf can be positioned from 352-462 mm (13.9-18.2") above the desk surface.

## Thumbscrews

Includes thumbscrews so you can be done faster, with fewer tools.

## SWL 4.5 kg

This mount can support laptops up to 4.5 kg (9.9lbs).

## Vents

Slots in the shelf keep the device cool, maximising airflow.

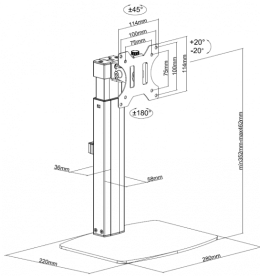

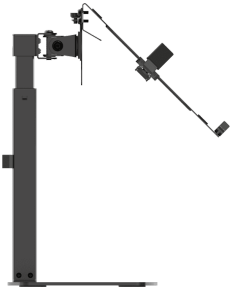

## Foam Dots

High-density foam dots help to isolate vibration and keep the device in place. They also hold tablets off the tray to help airflow.

## Scratch-Resistant

The powder-coated surface is thicker and more scratch resistant than paint.
