It comes with a spacious shelf designed to accommodate all types of video conferencing equipment. Its straightforward design contributes to its impressive strength and durability.

SWL 100 kg (220 lb)

Constructed from robust steel and rigid cast alloy, the frame provides steadfast support for heavy touch-screen displays.

Quick Assembly

Our emphasis has been on minimizing the variety and quantity of screws needed for the assembly process.

55-100" Displays

Any display weighing under 100 kg (200 lb) and featuring a VESA pattern of up to 900 x 600 mm is compatible with this floor stand.

Locking Wheels

High-quality 4-inch (100 mm) castors smoothly glide over uneven surfaces, ensuring effortless manoeuvrability of the cart. The larger wheels also diminish vibrations for your valuable AV equipment.

Variable Height

The VESA brackets can be fixed to the floor stand at two height positions, enabling additional height adjustment.

Full-width Shelf

The shelf boasts a width of 1040 mm (41 inches), providing ample room to accommodate any conferencing sound bar with ease. With a depth of 250 mm (10 inches), there's substantial space available for accommodating large video conference cameras.
