

Portable floor stand for displays up to 60 kg
 Fits displays with VESA sizes up to 800 x 600 mm
 For 40-86" Displays
 (subject to VESA pattern and weight limit)
 Height adjustable by motor 400 mm
 Extra wide video bar shelf

This straightforward, practical floor stand offers motorized height adjustment at an affordable, entry-level price, making it accessible to everyone.

SWL 60 kg (132 lbs)

The sturdy steel frame can support displays that weigh up to 60 kilograms.

40-86" Displays

The suitability of a stand is also determined by the weight of the display and the dimensions of the mounting points. Displays that weigh under 60 kg and have a VESA pattern up to 800 x 600 mm are compatible with this stand.

Lockable Wheels

The 50 mm casters can all lock.

Motorised Height Adjustment

Simply press a button to adjust the height by 400 mm. A safety switch ensures the motor stops if resistance is detected.

Conference Bar Shelf

The wide bottom shelf is perfect for Teams or Zoom video bars beneath the display. It can also serve as a convenient place to stow laptops.

Height Memory

The controller features two memory slots, allowing you to press a button and instantly adjust it to a preset height.
