

Freestanding Display Floor stand 30-65"  
 (subject to VESA pattern and weight limit)  
 Mounting points up to 400 x 400 mm apart  
 SWL 30 kg / 66 lb  
 1500 mm (59") tall  
 Portrait or Landscape  
 Cable management

Designed with elegant corporate reception areas in mind, this quality floor stand is simple and under-stated. It makes it easy to show dynamic information in an approachable way.

### Retail Ready

Perfect for shop front window displays, or any digital signage application.

### Cable Management

An internal channel allows cables to be dropped down the tube.

### Portrait or Landscape

This stand works for either orientations.

### Do It Yourself

The smart design makes it easy for the user to put it together on their own in no time.

### Reception Areas

Use it to display wayfinding information so visitors know where to go, show room booking schedules, share event details, or provide company information. There are so many ways a display can be used!
