## VIDEO WALL MOUNTS

### RAIL MOUNT SYSTEM

Dramatically reduce the time taken to install a video wall with the Vision Video Wall Rail Mount System. We've thought through every detail to allow simple screen alignment, easy micro-adjustment and a faster install.

#### HOW TO ORDER:

**1** RAILS

VFM-WM50  
VFM-WR75  
50cm or 75cm  
One pair

**2** ENDS

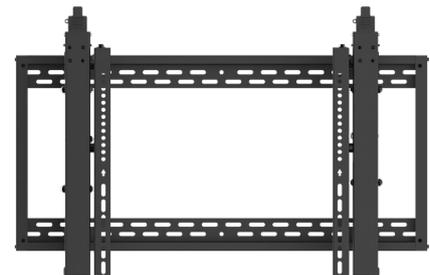

VFM-VWRE  
Order one pair  
per rail set

**3** ARMS

VFM-VWRA  
Order one pair  
per screen

### CLASSIC VIDEO WALL MOUNT

Our classic Video Wall Mount is available in VESA 800x600 and 600x400. They have all the same great installer-friendly features as our Rail System – micro adjustment, pop-out arms, and thumbscrews - designed to ensure easy, precision adjustment for a fast install. What's more, we also supply a variety of fixing screws - so you'll never be caught out on site with the wrong hardware.

Pop-out System  
For fast access

Smart Adjust  
Tilt, Rotate, Depth &  
Height for a perfectly  
aligned video wall  
every time

Lockable  
For security, (padlock  
not included)

Up to 80" screens
