

Wall Mount for large-format flat panels with mounting points up to 1200 x 600mm apart
Heavy Duty 130kg SWL for Interactive Flat Panels
Locking anti-theft mechanism

Vision's **Vision Flat-Panel Mount** range is tough and flexible. The VFM-W12X6 fits any flat-panel LCD or LED screen which has rear mounting holes up to 1200 wide x 600mm tall apart.

SWL 130kg

Interactive flat panels are large and very heavy. Vision's VFM-W12x6 uses heavy gauge 3mm sheet metal to take the weight of these displays.

Universal

It fits most panels from 57-90", including: Promethean's ActivPanel range up to and including the 86" Sahara's Clevertouch range up to and including the 86" Microsoft's 84" Surface Hub which uses 1200 x 600mm mounting points. Smart's 84" 4084 Interactive Flat Panel which uses 600 x 600mm mounting points.

Shallow

The thin design holds the display close to the wall. This looks better, reduces snagging risk, and because the load is close to the wall the mount has a higher safe working load rating.

Simple Installation

A proven design allows fast fixing, and slotted holes on the wall part allowing levelling adjustment after fixing.

Secure

Once in place locking screws are fitted to prevent the assembly being lifted off the wall bracket.

SPECIFICATIONS

PRODUCT DIMENSIONS

1250 x 624 x 36 mm / 49.2" x 24.6" x 1.4" (height x width x depth)

PACKAGED DIMENSIONS

1270 x 235 x 50 mm / 50.0" x 9.2" x 2.0"

PRODUCT WEIGHT

7.8 kg (17.2 lbs)

PACKAGED WEIGHT

8.0 g (17.6 lbs)

SAFE WORKING LOAD

130kg (286 lbs)

CONSTRUCTION MATERIAL

Steel
