

VESA Wall Mount for most LCD or LED displays up to 42"

Fits displays with 50 x 50, 75 x 75, 100 x 100, 200 x 100, and 200 x 200 mm mounting holes

Tilt and swivel adjustment

Vision's Flat-Panel Mounts (VFM) are robust and simple to install. This bracket fits any flat-panel flat panel display which uses a standard VESA mounting configuration up to VESA 200 – which has mounting points 200 x 200 mm tall apart. It also supports TVs which have mounting points 200 mm wide x 100 mm tall.

Tilt

15° of tilt-forward adjustment for applications where the display is fixed up high.

Swivel

30° of side-to-side adjustment.

SWL 15 kg

Vision's VFM-W2x2T can take up to 15 kg – sufficient to support most monitors that ranges from 14" to 42".

Simple Installation

A proven 2-part design allows fast fixing, with slotted holes on the wall part allowing levelling adjustment after fixing.

Secure

Once in place a locking screw is fitted to avoid theft.
