

Wall Mount for large flat panel displays with mounting points up to 800 x 400mm apart

Heavy Duty 100kg SWL

Locking anti-theft mechanism

Tilting

Vision's VFM (Vision Flat-Panel Mount) range is tough, flexible, and quick to install. The VFM-W8X4T fits any large flat-panel LCD or LED screen which has rear mounting holes up to 800 wide x 400mm tall apart.

Tilting

The tilting mechanism allows 15° up, and 15° down movement on the vertical plane.

SWL 100kg

Interactive flat panels are large and very heavy. Vision's VFM-W8x4T uses heavy gauge 3mm sheet metal to take the weight of these displays.

Universal

It fits the vast majority of large-format displays from 47-90". Click here to look up the VESA size of your flat panel.

Simple Installation

A proven design allows fast fixing, and slotted holes on the wall part allowing levelling and side to side adjustment after fixing.

Secure

Once in place a locking mechanism automatically engages. It can be released by a pull-string.

SPECIFICATIONS

PRODUCT DIMENSIONS

850 x 424 x 93 mm / 33.5" x 16.7" x 3.7" (height x width x depth)

PACKAGED DIMENSIONS

880 x 235 x 50 mm / 34.6" x 9.2" x 2.0"

PRODUCT WEIGHT

6.9 kg (15.2 lbs)

PACKAGED WEIGHT

7.0 g (15.4 lbs)

SAFE WORKING LOAD

100 kg (220 lbs)

CONSTRUCTION MATERIAL

Steel

COLOUR

Black
